

Tonight

## Fill in the gaps

In the beginning	Take me to the other side
I never thought it would be you	Sparks fly like the fourth of July
When we were chilling	Just take me to the other side
Smiling in the photo booth	I see that sexy look in your eyes and I know
But we got closer (yeah)	We ain't friends anymore
Till you were eating off my spoon	If we walk down this road
And coming over	We'll be lovers for sure
And we would talk all afternoon	So tonight
Tonight we'll just get drunk	Kiss me like it's do or die
Disturb the peace	And take me to the other (8) (woah)
Bind your hands	(Woah)
All over me	(Woah)
And then you bite your lip	Kiss me like it's do or die (woah)
Whisper and say	And take me (to the other side)
We're going all the way	Tonight we'll just get drunk
Tonight	Disturb the peace
Take me to the other side	Let your love
Sparks fly like the (1) of July	Crash into me
Just take me to the (2) side	And (9) you bite your lip
I see that sexy look in your eyes and I know	Whisper and say
We ain't friends anymore	We're going all the way
If we (3) down this road	Tonight
We'll be (4) for sure	Take me to the other side
So tonight	Sparks fly like the fourth of July (just with you yeah)
Kiss me like it's do or die	Just take me to the other side (take me baby)
And take me to the (5) side	I see that sexy look in your eyes and I know
This could be perfect	We ain't friends anymore
(Yeah)	If we walk (10) this road
But we won't know unless we try (try)	We'll be lovers for sure
I know you're nervous	So tonight (so tonighth)
So (6) sit back and let me drive	Kiss me like it's do or die (kiss me like, kiss me like)
Tonight we'll just get drunk	And take me to the other side (woah)
Disturb the peace	Take me to the other side (woah)
Bind your hands	And take me to the other side (woah)
All over me	Kiss me like it's do or die (woah)
And (7) you bite your lip	And take me to the other side
Whisper and say	
We're going all the way	

- 1. fourth
- 2. other
- 3. walk
- 4. lovers
- 5. other
- 6. just
- 7. then
- 8. side
- 9. then
- 10. down
