

Yeah

Fill in the gaps

Hello, nello	Now I'm (20) at your door
I know it's been awhile, but, baby	You're looking at me, unsure
I got something that I really (1) let you know	I should've seen it before
Yeah	You're all I think about baby
Something that I (2) let you know	I was so stupid for letting you go
You say, you say to everybody	But III know you're still the one
That you hate me	You might have moved on
Couldn't (3) you	But girl you should know
Cause I know I (4) you all alone, yeah	That III (21) you're still the one
I (5) that I (6) you all alone	I know I'm saying too much
Yeah	But I will never (22) up
Now I'm back at your door	I was so stupid for (23) you go
You're (7) at me, unsure	But III know you're still the one
I should've seen it before	III (hey)
You're all I think (8) baby	III (hey)
I was so stupid for letting you go	III (hey)
But III know you're (9) the one	111
You might (10) (11) on	Hey
But girl you should know	You
That III (12) you're (13) the one	You're still the one
I (14) I'm saying too much	Hey
But I will never give up	You
I was so stupid for letting you go	You're still the one
III know you're (15) the one	Hey
III know you're still the one	You
Hello, hello	You're still the one
I'm (16) (17) you'll forgive me	Hey
l keep talking, begging	You
Tell me what I wanna hear, yeah	You're (24) the one
Girl, (18) tell me what I wanna hear	I know I'm saying too much, yeah
I tried and tried	But I will never give up
To (19) again and find somebody	I was so stupid for letting you go
But I remember all the times	III (25) you're still the one
And all the words we said, yeah	III know you're still the one
I can't get it out of my head
