

Fill in the gaps

Hello, hello	Now I'm back at your door
I know it's been awhile, but, baby	You're looking at me, unsure
I got something that I really wanna let you know	I should've seen it before
Yeah	You're all I think (6) baby
Something that I (1) let you know	I was so stupid for letting you go
You say, you say to everybody	But III know you're still the one
That you hate me	You might have moved on
Couldn't blame you	But girl you should know
'Cause I (2) I left you all alone, year	That III (7) you're still the one
I know that I (3) you all alone	I know I'm saying too much
Yeah	But I will never give up
Now I'm back at your door	I was so stupid for (8) you go
You're looking at me, unsure	But III know you're still the one
I should've seen it before	III (hey)
You're all I think about baby	III (hey)
I was so stupid for letting you go	III (hey)
But I I I know you're (4) the one	III
You might have moved on	Hey
But girl you should know	You
That I I I know you're still the one	You're still the one
I know I'm saying too much	Hey
But I will never give up	You
I was so stupid for letting you go	You're still the one
III know you're still the one	Hey
III know you're still the one	You
Hello, hello	You're still the one
I'm really hoping you'll forgive me	Hey
I keep talking, begging	You
Tell me what I wanna hear, yeah	You're still the one
Girl, just tell me what I (5) hear	I (9) I'm saying too much, yeah
I tried and tried	But I will never give up
To start again and find somebody	I was so stupid for letting you go
But I remember all the times	III know you're still the one
And all the words we said, yeah	III know you're (10) the one
I can't get it out of my head
