

## Fill in the gaps

So am I still waiting
For this world to stop hating
Can't find a good reason
Can't find hope to believe in
Drop dead
A bullet to my head
Your words are like a gun in hand
You can't change the state of the nation
We just need some motivation
These eyes
Have (1) no conviction
Just lies and more contradiction
So (2) me (3) would you say
I'd say it's time too late
So am I still waiting
For this world to stop hating
Can't find a good reason
Can't find hope to believe in
Ignorance
And understanding
We're the first ones to jump in line
Out of step for what we believe in

But who's left to (4)\_\_\_\_\_ the bleeding

It's not hard to see through the fakeness

How far

Will we take this

So tell me what would you say
I'd say it's time too late
So am I still waiting
For this world to stop hating
Can't find a good reason
Can't (5) to believe
This can't last forever
Time won't make things better
I feel so alone
Can't help myself
And no one knows
If this is worthless, tell me so
What have we done
With a war that can't be won
This can't be real
Cause I don't know what to feel
So am I still waiting
For this world to stop hating
Can't find a good reason
Can't find hope to believe in
So am I still waiting
For this (7) to (8) hating
Can't find a (9) reason
For this world to believe
