| My child arrived just the other day  |         | Is to borrow the car keys             |
|--------------------------------------|---------|---------------------------------------|
| Come to the (1) in the usual way     |         | See you later can I have them please  |
| But (2) were planes to catch         |         | And the cats in the cradle            |
| And bills to pay                     |         | And the silver spoon                  |
| He learned to walk while I was away  |         | Little boy (18) and the               |
| He was (3) for a minute              |         | Man on the moon                       |
| And as he grew                       |         | When you comin' home son              |
| He'd say I'm (4) be (5)              | you Dad | I don't (19) when                     |
| You (6) I'm gonna be like you        |         | We'll get (20) then                   |
| And the cats in the cradle           |         | You (21) we'll have                   |
| And the silver spoon                 |         | A good time then                      |
| Little boy blue and the              |         | I've (22) since retired               |
| Man on the moon                      |         | My son's (23) away                    |
| When you comin' home son             |         | I (24) him up just the other day      |
| I don't know when                    |         | I'd like to see you if you don't mind |
| We'll get together then              |         | He said                               |
| You know we'll have                  |         | I'd love to Dad                       |
| A good time then                     |         | If I could find the time              |
| Well my son turned ten               |         | You see my new job's hassle           |
| Just the other day                   |         | And the kids (25) the flu             |
| He (7) thanks for the (8) [          | Dad     | But it's sure nice talking to you Dad |
| Come on let's play                   |         | It's (26) sure nice talking to you    |
| Can you teach me to throw            |         | And as I hung up the phone            |
| I (9) not today - I got a lot to do  |         | I occured to me                       |
| He said that's o.k.                  |         | He'd (27) up just like me             |
| And he walked (10) and he            |         | My boy was just like me               |
| Smiled and he said                   |         | And the cats in the cradle            |
| You know I'm gonna be like him yeah  |         | And the silver spoon                  |
| You (11) I'm gonna be like him       |         | Little boy blue and the               |
| And the cats in the cradle           |         | Man on the moon                       |
| And the (12) spoon                   |         | When you comin' home son              |
| Little boy blue and the              |         | I don't (28) when                     |
| Man on the moon                      |         | We'll get together then               |
| When you comin' home son             |         | You know we'll have                   |
| I don't (13) when                    |         | A good time then                      |
| We'll get together then              |         | And the cats in the cradle            |
| You know we'll have                  |         | And the (29) spoon                    |
| A good time then                     |         | Little boy blue and the               |
| Well he (14) from college            |         | Man on the moon                       |
| Just the other day                   |         | When you comin' home son              |
| So (15) like a man I just had to say |         | I don't know when                     |
| I'm proud of you could you           |         | We'll get together then               |
| Sit for a while                      |         | You know we'll have                   |
| He (16) his head                     |         | A good time then                      |
| And he (17) with a smile             |         |                                       |
