Fill in the gaps

My child arrived just the other day		Is to borrow the car keys	
Come to the world in the usual way		See you later can I (6) (7)_	please
But there were planes to catch		And the cats in the cradle	
And bills to pay		And the silver spoon	
He (1)	to walk while I was away	Little boy blue and the	
He was talking for a minute		Man on the moon	
And as he grew		When you comin' home son	
He'd say I'm gonna be like you Dad		I don't know when	
You know I'm (2) be like you		We'll get together then	
And the cats in the cradle		You know we'll have	
And the silver spoon		A good time then	
Little boy blue and the		I've long since retired	
Man on the moon		My son's moved away	
When you comin' home son		I called him up just the other day	
I don't know when		I'd like to see you if you don't mind	
We'll get together then		He said	
You know we'll have		I'd love to Dad	
A good time then		If I could find the time	
Well my son turned ten		You see my new job's hassle	
Just the other day		And the kids have the flu	
He said thanks for the ball Dad		But it's sure nice talking to you Dad	
Come on let's play		It's been sure nice talking to you	
Can you teach me to throw		And as I hung up the phone	
I said not today - I got a lot to do		I occured to me	
He said that's o.k.		He'd grown up just (8) me	
And he walked away and he		My boy was just like me	
Smiled and he said		And the cats in the cradle	
You know I'm gonna be like him yeah		And the silver spoon	
You know I'm gonna be like him		Little boy (9) and the	
And the cats in the cradle		Man on the moon	
And the silver spoon		When you comin' home son	
Little boy (3) and the		I don't know when	
Man on the moon		We'll get together then	
When you comin' (4) son		You know we'll have	
I don't know when		A good time then	
We'll get together then		And the cats in the cradle	
You know we'll have		And the (10) spoon	
A (5) time then		Little boy blue and the	
Well he came from college		Man on the moon	
Just the other day		When you comin' home son	
So much like a man I just had to say		I don't know when	
I'm proud of you could you		We'll get together then	
Sit for a while		You know we'll have	
He shook his head		A good time then	
And he said with a s	mile
