

Fill in the gaps

We are young	We're not cool
We are strong	We are free
We're not looking for where we belong	And we're (8)(9)
We're not cool	(10) on our knees
We are free	We are young
And we're running with blood on our knees	We are strong
We could rule the world	We're not looking for where we belong
On a (1) platter	We're not cool
From the wrong to the right light	We are free
To an (2) stream	And we're running with (11) on our knees
With a crash and burn	What do they know about us?
We (3) make it better	Are they (12) of somebody else?
Turn it upside down	Are (13) wondering (14) we might be?
Just you and me	Are they thinking of you or of me?
We are the dream	We are young
No other way	We are strong
To be	We're not looking for where we belong
We are young	We're not cool
We are strong	We are free
We're not looking for where we belong	And we're running with blood on our knees
We're not cool	We are young
We are free	We are strong
And we're running (4) blood on our knees	We're not (15) for where we belong
I could (5) the world	We're not cool
I (6) make it better	We are free
Kick it up and down	And we're running (16) blood on our knees
Take a chance on me	We are young
When you fake a smile	We are strong
And you think you're better	We're not (17) for (18) we
Gonna put it down	belong
Rip it at your feet	We're not cool
No bridge to burn	We are free
Nowhere to turn	And we're (19) with blood on our knees
For me	We are young
We are young	We are strong
We are strong	We're not (20) for (21) we
We're not (7) for where we belong	belong
