

We're not looking for where we belong

Fill in the gaps

We are young	We're not cool
We are strong	We are free
We're not looking for where we belong	And we're running with blood on our knees
We're not cool	We are young
We are free	We are strong
And we're running with blood on our knees	We're not (5) for where we belong
We could rule the world	We're not cool
On a silver platter	We are free
From the wrong to the right light	And we're running (6) blood on our knees
To an open stream	What do they know about us?
With a crash and burn	Are they thinking of somebody else?
We could make it better	Are they (7) what we (8)
Turn it (1) down	be?
Just you and me	Are they thinking of you or of me?
We are the dream	We are young
No other way	We are strong
To be	We're not looking for where we belong
We are young	We're not cool
We are strong	We are free
We're not (2) for (3) we	And we're running with blood on our knees
belong	We are young
We're not cool	We are strong
We are free	We're not looking for where we belong
And we're running with blood on our knees	We're not cool
I could change the world	We are free
I could make it better	And we're running with blood on our knees
Kick it up and down	We are young
Take a chance on me	We are strong
When you fake a smile	We're not (9) for where we belong
And you (4) you're better	We're not cool
Gonna put it down	We are free
Rip it at your feet	And we're running with (10) on our knees
No bridge to burn	We are young
Nowhere to turn	We are strong
For me	We're not looking for where we belong
We are young	
We are strong
