

Fill in the gaps

You (1) a way of coming	Oh, what a shame
Easily to me	What a (12) ending
And when you take	Given to a perfect day
You (2) the very best of me	So just walk away
So I start to fight	No use (13) words
Cause I need to feel something	That you (14) (15) say
And you do what you want	And now that I'm sitting here
Cause I'm not what you wanted	Thinking it through
Oh, what a shame	l've (16) (17)
What a rainy ending	(18) cold as you
Given to a perfect day	You never gave it a damn thing, honey
Just walk away	But I cried, (19) for you
No use (3) words	And I (20) you wouldn't (21)
That you will never say	(22) nobody
And now (4) I'm sitting here	If I died, (23) for you, died for you
Thinking it through	Oh, what a shame
l've never (5) anywhere	What a (24) ending
Cold as you	Given to a perfect day
You put walls and paint them	Every smile you fake
All (6) of grey	Is so condescending
And I (7) there loving you	Counted all the scars you've made
And (8) (9) all away	And now that I'm sitting here
And you come away	Thinking it trough
With a great (10) story	I've never (25) anywhere
Of a (11) of dreamer	Cold as you
With the nerve to adore you
