

## Fill in the gaps

It's a (1) bit funny (2) feelin' inside	So (15) me forgettin', but these things I d
I'm not one of those who can easily hide	You see I've forgotten, if they're green or they're blue
Don't have much money, boy, but if I did	Anyway the thing is, what I (16) mean
I'll buy a big house (3) we (4)	Yours are the sweetest (17) I've ever seen
(5) live	And you can tell everybody this is the song
If I was a sculptor ha, but then again no	It may be quite simple now that it's done
Or a man who makes potions in a travellin' show	I hope you don't mind, I hope you don't mind
I know it's not much, but it's the (6) I can do	That I put down in words
My gift is my song and this one's for you	How wonderful life is while you're in the world
And you can tell everybody this is your song	I hope you don't mind, I hope you don't mind
It may be quite (7) but now that it's done	That I put (18) in words
I hope you don't mind, I hope you don't mind	How (19) life is (20)
That I put down in words	you're in the world
How (8) (9) is while you're	
in the world	
I sat on the roof and (10) off the moss	
Well a few of the verses, (11) they've got me quite	
cross	
But the sun's been quite (12) while I wrote this	
song	
It's for people like you (13) keep it	
(14) on
