

Fill in the gaps

It's a little bit funny this feelin' inside					
I'm not one of (1) who can easily hide					
Don't have much money, boy, but if I did					
I'll buy a big house where we both could live					
If I was a sculptor ha, but then again no					
Or a man who makes (2) in a travelling					
show					
I know it's not much, but it's the (3) I can do					
My gift is my song and this one's for you					
And you can tell everybody (4) is your song					
It may be quite simple but now that it's done					
I hope you don't mind, I hope you don't mind					
That I put down in words					
How wonderful life is while you're in the world					
I sat on the roof and kicked off the moss					
Well a few of the verses, well they've got me (5)					
cross					
But the sun's been quite kind while I wrote this song					
It's for people like you that keep it turned on					

So (6)	me	forgettin',	but	these	
(7) I do					
You see I've forgotten, if they're green or they're blue					
Anyway the thing is, what I really mean					
Yours are the (8)	eyes I've ever seen				
And you can tell everybody this is the song					
It may be quite simple now (9) it's done					
I hope you don't mind, I hope you don't mind					
That I put down in words					
How wonderful life is while you're in the world					
I hope you don't mind, I hope you don't mind					
That I put down in words					
How wonderful life is while you're in the world
