Fill in the gaps

A Thousand Kisses Deep by Leonard Cohen

The ponies run, the girls are young		i diessed our remnant fleet		
The odds are (1) to beat		And then consented to be wrecked		
You win a while, and then it's done		A thousand kisses deep		
Your little winning streak		I'm turning tricks, I'm getting fixed		
And summoned now to deal		I'm back on Boogie street		
With your invincible defeat		I guess (12) won't exchange the gifts		
You live (2) life as if it's real		That you were meant to keep		
A (3)(4)	deep	And quiet is the (13) of you		
I'm turning tricks, I'm (5) fixed		The file on you complete		
I'm back on Boogie Street		Except (14) we forgot to do		
You lose your grip, and then you slip		A thousand kisses deep		
Into the masterpiece		And sometimes when the night is slow		
And maybe I had miles to drive		The (15) and the meek		
And (6) to keep		We gather up our hearts and go		
You (7) it all to stay alive		A thousand kisses deep		
A thousand kisses deep		The ponies run	, the (16)	are young
And sometimes when the night is slow		The (17)	are (18)	to beat
The wretched and the meek		You win a while, and then it's done		
We (8) up our hea	arts and go	Your (19)	(20)	streak
A thousand kisses deep		And summoned now to deal		
Confined to sex, we (9)	against	With your (21)		defeat
The limits of the sea			your (23)	
I saw there were no oceans left		A (24)	(25)	deep
For scavengers like me				
I (10) it to the (11)	deck
