

Fill in the gaps

You don't even have to try
It comes (1) for you
The way you move is so appealing
It could make me cry
Go out driving with my friends
In Bobby's big old beat up car
I'm with a lot of people then
I wonder where you are
Good times, bad times, give me some of that
Good times, bad times, give me (2) of that
Good times, bad times, give me (2) of that Good times, bad times, give me (3) of that
Good times, bad times, give me (3) of that
Good times, bad times, give me (3) of that
Good times, bad times, give me (3) of that I don't want to say goodbye
Good times, bad times, give me (3) of that I don't want to say goodbye Don't (4) to walk you to the door
Good times, bad times, give me (3) of that I don't want to say goodbye Don't (4) to walk you to the door I spend a little time with you

Good times, bad times, give me some of that
And baby really, I don't have to
I don't have to go anywhere right now
You want some more, you want some more of this
Anywhere where you want baby, just
Say it, (5) say it
Good times, bad times, give me some of that
Good times, bad times, (6) me some of that
Good times, bad times, (7) me some of that
Now I (8) good, good, good times
And got those bad, bad, bad times
(I want those good, good, good, good times)
(Gimme some of that)
