

Listen

She grabs the (1)_

She gets to the bottom It sends her on a trip so right

And she looks like a model

She's got me love stoned

She's freaky and she knows it She's freaky, but I like it

She shuts the room down

The baddest in town

I think that she knows

Don't even bother

(Hey!)

(Yeah)

(Hey!)

Except she's got a little more (ass)

She likes the way it hits her lips

She might be going home with me tonight

Unless you've got that thing she likes (oh) I hope she's going home with me tonight

Those flashing lights come from everywhere The way (2)_____ hit her I just stop and stare

Man I swear, she's bad and she knows

The way she walks and causes a fuss

I hope she's going home with me tonight (oh...)

That's why she's going home with me tonight (oh...)

Those flashing lights seem to cause a glare (cause a glare)

She's flawless like some uncut ice

And all she wants is to dance That's why you'll find her on the floor

But you don't have a chance

She's got me love stoned

I think that she knows (ah...)

Unless you move the way that she likes

Those flashing lights come from everywhere The way they hit her I just stop and stare

Man I swear she's bad and she knows

LoveStoned by Justin Timberlake (Hey! ah) She's freaky and she knows it She's freaky and I like it

The way they hit her I just (3) and stare (stop and
stare)
She's got me love stoned from everywhere
She's bad and she knows
I think that she knows
Now dance
Little girl
You're freaky, but I like it
Hot damn!
(Let me put my (4) on (5) one time)
(Aw)
Those flashing lights come from everywhere
The way they hit her I just stop and stare
She's got me (6) (7) from
everywhere
She's bad and she knows
I think that she knows (hey ah)
Those flashing lights come from everywhere
The way they hit her I just stop and stare
She's got me love stoned
Man I swear she's bad and she knows
I think that she knows
Those (8) lights (9) from
everywhere
The way they hit her I just stop and stare
She's got me love stoned
I think I'm love stoned
She's got me love stoned
I think (10) she knows, think that she knows, (oh,
oh)
Those flashing lights come from everywhere
The way they hit her I just stop and stare
I'm love stoned from everywhere and she knows
I think that she knows (oh)
And now I walk around without a care
She's got me hooked
It just ain't fair, but I
I'm love stoned and I could swear
That she knows
Think that she knows, (oh, oh)
She knows, she knows, (oh, oh)
