(Peace up, a-town down)	Yeah, yeah, I got so caught up I forgot she told me
	Yeah, yeah, 'cause if my girl knew it'd be best to (7)
Up in the (1) with my homies	me
Trying to get a little V-I	Yeah, yeah, next thing I knew
Keep it down on the low key	She was all up on me screaming
'Cause you know how it feels	Yeah, yeah, yeahyeah
I said shorty she was checking up on me	Yeah, yeah, yeahyeah
From the (2) she was spitting in my ear	(Luda) Watch out, my outfit's ridiculous
You'd think (3) she knew me (knew me)	In the club (8) so conspicuous
We decided to chill	And (rowl) these women all on the prowl
Conversation got heavy	If you hold the (head) steady I'm a () the cow
She had me feeling like she's ready to blow	And forget about the game I'm a spit the truth
(watch out, watch out)	I won't stop till I get them in their birthday suits
She's saying come get me (come get me)	So give me the rhythm and it'll be off with they clothes
So I got up and followed her to the floor	Then () (9) to the front and touch your toes
She said baby let's go	I left the jag and I took the roles
When I told her I said	If they ain't cutting then I put them on foot patrol
Yeah, yeah, shorty got down to come and get me	How you like me now
Yeah, yeah, I got so caught up I forgot she told me	When my pinky's valued over three hundred thousand
Yeah, yeah, 'cause if my girl knew it'd be best to hold me	Let's drink you the one to please
Yeah, yeah, next thing I knew	Ludacris fill cups like double d's
She was all up on me screaming	Me and Usher once more and we leave them dead
Yeah, yeahyeah, yeahyeah	We want a lady in the street but a freak in the bed to say
Yeah, yeahyeah, yeahyeah	Yeah, yeah, shorty got down to come and get me
She's all up in my head now	Yeah, yeah, I got so caught up I forgot she told me
Got me thinking that it might good idea to take her with me	Yeah, yeah, 'cause if my girl knew it'd be best to hold me
'Cause she's ready to leave	Yeah, yeah, next thing I knew
Now I gotta keep it (4) now	She was all up on me screaming
'cause on a one to ten she's a certified twenty	Yeah, yeah, yeahyeah
And that just ain't me (hey)	Yeah, yeah, yeahyeah
'Cause I do know if I take that chance	Take that and rewind it back
She's ready, gonna leave	Lil' Jon got the rhythm make your booty go
But what I do know	Take that and rewind it back
Is the way she dances, makes shorty alright with me	Usher got the voice make your booty go
The way she's (5) low	Take that and rewind it back
I'm like yeah, just work that out for me	Ludacris got the flow make your booty go
She asked for one more dance and I'm like yeah	Take that and rewind it back
How the hell am I supposed to leave	Lil' Jon got the rhythm make your booty go
And I said	
Yeah, yeah, (6) got down to come and get me
