

Fill in the gaps

They made a (1) of us
And it put it on a mountain top
Now (2) come and stare at us
Blow (3) with their gum
Take photographs for fun, for fun
They'll name a city after us
And later say it's all our fault
Then they'll give us a talking to
Then they'll give us a talking to
'Cause they've got (4) of experience
We're living in a den of thieves
Rummaging for answers in the pages
We're (5) in a den of thieves
And it's contagious
We wear our scarves just like a noose
But not 'cause we want eternal sleep
And though our parts are slightly used
New ones are slave labor you can keep
We're living in a den of thieves

Rummaging for answers in the pages
We're living in a den of thieves
And it's contagious
They made a statue of us
They made a statue of us
The tourists come and (6) at us
The sculptor's mama sends regards
They (7) a statue of us
They made a (8) of us
Our noses have begun to rust
We're living in a den of thieves
Rummaging for (9) in the pages
Were living in a den of thieves
And it's contagious
