Clean White Love by Lisa Mitchell

What are you doing?

What you doing, what ya doing to me?

Fill in the gaps

I left the keys in the car	What are you (7) to my head?
I left the door ajar	(A woah ah oh) You're my clean white love
I didn't want to be alone	(A woah ah oh) You're too (8) white love
These are the days and the nights	I gave my heart on the morning of November 6th
Of these sweet humbling heights	(Oh) Everybody's looking for a fix
And I (1) it used to be home	And this love is diseased
Whisk me away	There's a cure
I'll be (2) for a day	I need that medicine
In heavenly fields (3) we roam	To get to the core
(A woah ah oh) You're my (4) white love	Remember this place
(A (5) ah oh) You're my (6) white	It's left to the fates
love	But it's kind to be cruel
What are you doing?	(A woah ah oh) You're my (9) white love
What you doing, what ya doing to me?	(A woah ah oh) You're my clean white love
What are you doing to my head?	What are you doing?
(A woah ah oh) You're my clean white love	What you doing, what ya doing to me?
(A woah ah oh) You're too clean white love	What are you doing to my head?
I gave my heart on the morning of November 6th	(A woah ah oh) You're my clean white love
(Oh) Everybody's looking for a fix	(A woah ah oh) You're too clean white love
(Hey)	What are you doing?
Sell me a sign	What you doing, what ya (10) to me?
I'll cut the telephone line	What are you doing to my head? To my head?
Just to keep expectations alive	(A woah ah oh) You're my clean white love
(Oh) You're bleeding me dry	(A woah ah oh) You're too clean white love.
But the feeling is blind	What are you doing?
So I climbed up you're looking divine	What you doing, what ya doing to me?
Sell me it straight	What are you doing to my head? To my head?
(Oh) It might be too late	In my heart on the morning of November 6th
Keep on breaking the rules	(Oh) Everybody's looking for a fix
(A woah ah oh) You're my clean white love	
(A woah ah oh) You're too clean white love	

- 1. know
- 2. yours
- 3. which
- 4. clean
- 5. woah
- 6. clean
- 7. doing
- 8. clean 9. clean
- 10. doing

Fill in the gaps
