

Fill in the gaps

I left the keys in the car	What are you doing to my head?
I (1) the door ajar	(A woah ah oh) You're my clean white love
I didn't want to be alone	(A woah ah oh) You're too clean white love
These are the days and the nights	I gave my heart on the morning of November 6th
Of these sweet humbling heights	(Oh) Everybody's looking for a fix
And I know it used to be home	And this love is diseased
Whisk me away	There's a cure
I'll be yours for a day	I need that medicine
In heavenly fields which we roam	To get to the core
(A woah ah oh) You're my clean white love	Remember this place
(A woah ah oh) You're my clean white love	It's left to the fates
What are you doing?	But it's kind to be cruel
What you doing, what ya doing to me?	(A woah ah oh) You're my clean white love
What are you doing to my head?	(A woah ah oh) You're my clean white love
(A woah ah oh) You're my clean (2) love	What are you doing?
(A woah ah oh) You're too (3) white love	What you doing, what ya doing to me?
I gave my heart on the morning of November 6th	What are you doing to my head?
(Oh) Everybody's looking for a fix	(A (5) ah oh) You're my clean (6)
(Hey)	love
Sell me a sign	(A (7) ah oh) You're too clean white love
I'll cut the telephone line	What are you doing?
Just to keep expectations alive	What you doing, (8) ya doing to me?
(Oh) You're bleeding me dry	What are you doing to my head? To my head?
But the feeling is blind	(A woah ah oh) You're my clean white love
So I climbed up you're looking divine	(A woah ah oh) You're too clean white love.
Sell me it straight	What are you doing?
(Oh) It (4) be too late	What you doing, what ya (9) to me?
Keep on breaking the rules	What are you (10) to my head? To my head?
(A woah ah oh) You're my clean white love	In my heart on the morning of November 6th
(A woah ah oh) You're too clean white love	(Oh) Everybody's looking for a fix
What are you doing?	
What you doing, what ya doing to me?
