# SUB inglés

Trying to catch a wave but he tried too soon
He laughed so hard that he could barely breathe

### Fill in the gaps

### Christmas In The Sand by Colbie Caillat

I love Christmas in the snow	And washed up next to me
But Christmas in the sand	He said
(Oh man)	"You (5) naughty but I'm sure you're nice'
I tell that's where it's at	He was soaking wet but he cracked a smile
Hawaiian Tropic on my skin	With a present in his hand
Candy cane of peppermint	He said
A hint of cocoa on my lips	"It's (6) in the sand"
Could've been the sun	Christmas in the sand (whoa-oh-oh)
Could've been the sea	Christmas in the sand (whoa-oh-oh)
Could've been my childhood fantasy	Christmas in the sand (whoa-oh-oh)
But I saw Santa in his bathing suit	Christmas in the sand
Trying to (1) a wave but he tried too soon	Don't need (7) winter coat
He laughed so hard that he could (2) breathe	Don't need your winter hat
And washed up next to me	Just grab the one you love
He said	And say you're never coming back
"You look naughty but I'm sure you're nice"	You'll see Santa in his bathing suit
He was soaking wet but he cracked a smile	Trying to catch a wave but he'll try too soon
With a present in his hand	He'll laugh so hard that he can barely breathe
He said	That's what he did to me (that's what he did to me)
"It's Christmas in the sand"	He said
I must have had too much to drink	"You look naughty but I'm sure you're nice"
'Cause Rudolph's nose was shinin' green	(Sure you're nice)
I think	He was soaking wet but he cracked a smile
He was playing reindeer games on me	With a present in his hand
Santa only (3) him once	He said
But you should have seen him run so fast	"It's Christmas in the sand"
They were gone in a dash	Christmas in the sand (whoa-oh-oh)
Could've been the sun	Christmas in the sand (whoa-oh-oh)
Could've (4) the sea	Christmas in the (8) (whoa-oh-oh)
Could've been my childhood fantasy	I love Christmas in the sand
But I saw Santa in his bathing suit	

- 1. catch 2. barely
- 3. called
- 4. been
- 5. look
- 6. Christmas
- 7. your
- 8. sand
