

Fill in the gaps

I am an island underneath the setting sun		
In an ocean that is churning		
For all I know there might be nobody nearby		
Still, the world, it keeps on turning		
And (1) (2) sun goes down		
It gets brighter in my (3) somehow		
I don't (4) why this is		
But it's what I want to know		
Sometimes we start over		
And go solo		
We're looking for		
That (5) home		
Beside the sea		
And for the future		
(Oooooooh)		
Since I left you I'm a gold balloon that wanders high		
I won't sing through (6) and showers		
Taking lovers just (7) keep my tears at bay		
But the dam can break at any hour		
By candle-light you seem		
To decrease to communicate stars		
To deepen in your mysteries		
Confusing forces move		
, , ,		
Confusing forces move		
Confusing forces move At the tides of these seas		
Confusing forces move At the tides of these seas Sometimes we (8) over		
Confusing forces move At the tides of these seas Sometimes we (8) over And go solo		
Confusing forces move At the tides of these seas Sometimes we (8) over And go solo We're looking for		

Sometimes we start over
And go solo
No metaphors
Are needed from
This time onwards
In the
(Sooooome)
(Oooooooh)
(Aaaaaaah)
(Oooooooh)
And when the sun goes down
It gets brighter in my heart somehow
I don't know why this is
But it's what I'd like to know
Sometimes we start over
And go solo
We're looking for
The ones we've hurt
Just to forgive us
In the future
Sometimes we start over
And just go solo
No metaphors
Are needed from
This time onwards
