

Fill in the gaps

you see

You lead me on the path	I (14) (15) it's not for me
Keep showing me the way	Tell me what you can hear
I (1) a (2) lost	And (16) tell me (17) you
A little strange today	Everybody has a different way
I (3) I'll take a hold	To view the world
Of whatever comes my way	I would like you to know
Then we'll see what happens	When you see the simple things
Take it day by day	To appreciate (18) life
I (4) I had it all	It's not too (19) to learn
I had it all worked out	Tell me what you can hear
Just what my (5) held	And then tell me what you see
That there would be no doubt	Everybody has a different way
But then the (6) came up	To view the world
And I took another turn	I (20) like you to know
But I don't know if it's	When you see the (21) things
Fulfillment (7) I yearn	To appreciate this life
Tell me what you can hear	It's not too late to learn
And then tell me what you see	Don't want to be here
Everybody has a different way	Somewhere I'd rather be
To view the world	But (22) I get there
I (8) you to know	I might find it's not for me
When you see the simple things	Don't know what I want
To (10) life	Or (23) I (24) to be
It's not too (12) to learn	I'm (25) more confused
Don't want to be here	The more the days go by
Somewhere I'd (13) be	
But when I get there
