

Fill in the gaps

You lead me on the path
Keep showing me the way
I feel a little lost
A little strange today
I think I'll take a hold
Of whatever comes my way
Then we'll see what happens
Take it day by day
I though I had it all
I had it all worked out
Just what my future held
That there (1) be no doubt
But then the card came up
And I (2) turn
But I don't know if it's
Fulfillment that I yearn
Tell me what you can hear
And then tell me what you see
Everybody has a different way
To (4) the world
I would like you to know
When you see the simple things
When you see the simple things To appreciate this life
To appreciate this life
To appreciate this life It's not too late to learn

i might find it's not for me	
Tell me what you can hear	
And then tell me what you see	
Everybody has a different way	
To (5) the world	
I would like you to know	
When you see the simple things	
To appreciate this life	
It's not too (6) to learn	
Tell me what you can hear	
And then (7) me what you see	
Everybody has a (8)	way
To view the world	
I would like you to know	
When you see the simple things	
To appreciate this life	
It's not too late to learn	
Don't want to be here	
Somewhere I'd rather be	
But when I get there	
I might find it's not for me	
Don't (9) what I want	
Or where I (10) to be	
I'm feeling more confused	
The more the days go by
