

Fill in the gaps

From our lives beginning on
We are pushed in little forms
No one asks us how we like to be
In school (1) teach you (2) to think
But everyone says different things
But they're all convinced (3) they're the
(4) to see
So they keep (5) and they (6)
stop
And at (7) point you give it up
So the only (8) that's left to (9) is
this
(I want out) To (10) my (11) alone
(I (12) out) (13) me be
(I want out) To do (14) on my own
(i wait out) To do (i-i) oil iiiy owii
(I want out) To live my life and to be free
(I want out) To live my life and to be free
(I want out) To live my life and to be free People (15) me A and B
(I want out) To live my life and to be free People (15) me A and B They tell me how I have to see
(I want out) To live my life and to be free People (15) me A and B They tell me how I have to see Things that I have seen already clear
(I want out) To live my life and to be free People (15) me A and B They tell me how I have to see Things that I have seen already clear So (16) me then from
(I want out) To live my life and to be free People (15) me A and B They tell me how I have to see Things that I have seen already clear So (16) (17) me then from (18) to side

But don't (22) me to the maximum
Shut your (23) and take it home
'Cause I (24) the way things gonna be
(I want out) To live my life alone
(I want out) Leave me be
(I want out) To do things on my own
(I (25) out) To live my life and to be free
There's a million ways to see the things in life
A million ways to be the fool
In the end of it, none of us is right
Sometimes we need to be alone
No, No, No, No, No, No
Leave me aloneTo live my life alone
(I want out) Leave me be
(I (26) out) To do things on my own
(I want out) To live my life and to be free (Ah!!!)
I (27) out!!!
