Better In Time (Live) by Leona Lewis

It's (1) the longest winter without you	It's time I let you go so I can be free
I didn't know where to turn to	And live my life how it should be
See, somehow I can't forget you	No matter how hard it is
After all that we've been through	I'll be fine without you, yes I will
Going, coming thought I (2) a knock	Thought I couldn't live without you
Who's there? No one	It's gonna hurt when it (5) too (oh)
Thinking that I deserve it	It'll all get better in time
Now I (3) that I really didn't, (nooo)	And even (6) I really love you
If you didn't notice, you mean everything	I'm gonna smile cause I deserve to (yes I do)
Quickly I'm (4) to love again	It'll all get better in time
All that I know is I'm gon' be okay	Thought I couldn't live (7) you
Thought I couldn't live without you	It's gonna hurt when it heals too (yeah)
It's gonna hurt when it heals too, (ooh yeah)	It'll all get better in time
(It'll all get better in time)	And even though I (8) (9) you
And even though I really love you	I'm gonna smile cause I deserve to (yes)
I'm gonna smile cause I deserve to	It'll all get better in time
It'll all get better in time	
Since there's no more you and me (no more you and	me)
