## The Keeper of the Stars by Tracy Bird

It was no accident me finding you	I know I don't deserve a (5) like you
Someone had a hand in it	There really are no words
Long before we ever knew	To (6) my gratitude
Now I just can't believe you're in my life	So I tip my hat to the (7) of the stars
Heaven's smilin' down on me	He sure knew what he was doing
As I (1) at you tonight	When he (8) these two hearts
I tip my hat to the keeper of the stars	I hold everything
He sure knew what he was doing	When I hold you in my arms
When he (2) these two hearts	I've got all I'll ever need
I hold everything	Thanks to the keeper of the stars
When I hold you in my arms	It was no accident me finding you
I've got all I'll (3) need	Someone had a (9) in it
Thanks to the keeper of the stars	Long before we ever knew
Soft moonlight on your face (oh) how you shine	
It (4) my breath away
