## The Keeper of the Stars by Tracy Bird

It was no (1) me finding you	I know I don't deserve a treasure like you
Someone had a hand in it	There (5) are no words
Long before we ever knew	To show my gratitude
Now I just can't believe you're in my life	So I tip my hat to the keeper of the stars
Heaven's smilin' down on me	He sure (6) what he was doing
As I look at you tonight	When he joined these two hearts
I tip my hat to the (2) of the stars	I hold everything
He sure (3) what he was doing	When I hold you in my arms
When he joined these two hearts	I've got all I'll (7) need
I hold everything	Thanks to the keeper of the stars
When I hold you in my arms	It was no (8) me finding you
I've got all I'll ever need	Someone had a hand in it
Thanks to the keeper of the stars	Long (9) we (10) knew
Soft moonlight on your face (oh) how you shine	
It takes my breath away	
Just to look (4) your eyes
