

Fill in the gaps

Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my (1)_____ type
They left a (2)_____ impression in my head
You know that I was hoping
That I could leave this star-crossed (3)_____ behind
But when they cut me open
I guess I (4)_____ my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The (5)_____ maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at home and
I'm looking forward to (6)_____ life I live
You know it's gonna (7)_____ me
So hesitation to this life I give
You think you might cross over
You caught (8)_____ the devil and the deep blue
sea
You better look it over
Before you make that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (9)_____ down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile used to run from (10)_____ to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...

Answer

1. blood
2. strange
3. world
4. changed
