Spaceman by The Killers

It started (1)_____ a low light
Next thing I knew (2)_____ ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You (3)_____ that I was hoping
That I could leave this star-crossed world behind
But when they cut me open
I (4)_____ I changed my mind
And you (5)_____ I might
Have (6)_____ flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one (7)_____ night
The star (8)_____ says it ain't so bad
The (9)_____ maker's gonna make you mad
The spaceman (10)_____ everybody look down
Its all in your mind
Well now I'm back at (11)_____ and
I'm (12)_____ forward to this (13)_____ I
live
You know it's (14)_____ haunt me
So hesitation to (15)_____ life I give
You think you might cross over
You caught between the (16)_____ and the deep blue
sea
You better look it over
Before you (17)_____ that leap
And you know I'm (18)_____ but I hear those voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (19)_____ everybody look down
Its all in (20)_____ mind
My global position systems are (21)_____
addressed
They say the Nile used to run from east to west
They say the (22)_____ used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The (23)_____ maker says it ain't so bad
The dream maker's gonna make you mad
The (24)_____ (25)_____ everybody look
down
Its all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman (26)_____ everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
