### Spaceman by The Killers

It started with a low light  
Next (1)\_\_\_\_\_ I knew they ripped me from my bed  
And then they (2)\_\_\_\_\_ my blood type  
They left a (3)\_\_\_\_\_ impression in my head  
You know that I was hoping  
That I could leave this star-crossed world behind  
But (4)\_\_\_\_\_ (5)\_\_\_\_\_ cut me open  
I (6)\_\_\_\_\_ I changed my mind  
And you know I might  
Have just flown too far from the floor this time  
'Cause they calling me by my name  
And the zipping white light beams  
Disregarding bombs and satellites  
That was the turning point  
That was one (7)\_\_\_\_\_ night  
The star maker says it ain't so bad  
The dream maker's gonna make you mad  
The spaceman says everybody look down  
It's all in your mind  
Well now I'm back at home and  
I'm looking forward to (8)\_\_\_\_\_ life I live  
You know it's gonna haunt me  
So (9)\_\_\_\_\_ to (10)\_\_\_\_\_ life I give  
You think you might cross over  
You caught between the devil and the deep blue sea  
You (11)\_\_\_\_\_ look it over  
Before you make (12)\_\_\_\_\_ leap  
And you know I'm fine but I (13)\_\_\_\_\_ those voices at  
night  
Sometimes... (14)\_\_\_\_\_ justify my claim  
And the public don't dwell on my transmission

'Cause it wasn't televised...  
But it was a turning point  
Oh what a lonely night  
The star maker says it ain't so bad  
The dream maker's (15)\_\_\_\_\_ (16)\_\_\_\_\_ you  
mad  
The (17)\_\_\_\_\_ says everybody (18)\_\_\_\_\_  
down  
It's all in your mind  
The star maker says it ain't so bad  
The (19)\_\_\_\_\_ maker's gonna (20)\_\_\_\_\_ you  
mad  
The spaceman says (21)\_\_\_\_\_ look down  
It's all in your mind  
My global position systems are vocally addressed  
They say the Nile used to run (22)\_\_\_\_\_ east to west  
They say the Nile used to run from (23)\_\_\_\_\_ to west  
I'm fine  
But I hear those voices at night  
Sometimes...  
The star maker says it ain't so bad  
The (24)\_\_\_\_\_ maker's gonna make you mad  
The spaceman says everybody look down  
It's all in (25)\_\_\_\_\_ mind  
The star maker says It ain't so bad  
The dream maker's gonna make you mad  
The (26)\_\_\_\_\_ says everybody look down  
It's all in (27)\_\_\_\_\_ mind  
It's all in my mind  
It's all in my mind...
