

Fill in the gaps

Spaceman by The Killers

It started with a low light
Next thing I (1)_____ they ripped me from my bed
And then they took my (2)_____ type
They left a strange impression in my head
You know that I was hoping
That I could leave (3)_____ star-crossed world behind
But (4)_____ (5)_____ cut me open
I guess I changed my mind
And you know I might
Have just (6)_____ too far from the floor this time
'Cause they (7)_____ me by my name
And the (8)_____ white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (9)_____ down
It's all in (10)_____ mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So hesitation to (11)_____ life I give
You think you might cross over
You (12)_____ (13)_____ the
(14)_____ and the deep (15)_____ sea
You (16)_____ (17)_____ it over
Before you make that leap
And you know I'm fine but I hear those voices at night
Sometimes... they (18)_____ my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh (19)_____ a (20)_____ night
The star (21)_____ says it ain't so bad
The (22)_____ maker's (23)_____ make you
mad
The spaceman (24)_____ everybody look down
It's all in your mind
The star maker says it ain't so bad
The (25)_____ maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
My global position systems are vocally addressed
They say the Nile used to run from east to west
They say the Nile used to run from (26)_____ to west
I'm fine
But I hear those voices at night
Sometimes...
The (27)_____ maker says it ain't so bad
The (28)_____ maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (29)_____ mind
It's all in my mind
It's all in my mind...

Fill in the gaps

Answer

1. knew
2. blood
