Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a (1)_____ impression in my head
You know that I was hoping
That I could leave this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just flown too far from the floor this time
'Cause they (2)_____ me by my name
And the zipping white (3)_____ beams
Disregarding (4)_____ and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (5)_____ look down
Its all in your mind
Well now I'm back at (6)_____ and
I'm looking (7)_____ to this life I live
You (8)_____ it's gonna (9)_____ me
So (10)_____ to this life I give
You think you might cross over
You caught between the (11)_____ and the deep blue
sea
You better (12)_____ it over
Before you make that leap
And you know I'm fine but I hear (13)_____ voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker says it ain't so bad
The (14)_____ maker's (15)_____ make you
mad
The spaceman says everybody look down
It's all in (16)_____ mind
The star maker says it ain't so bad
The (17)_____ maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
My global (18)_____ systems are vocally
addressed
They say the Nile used to run from east to west
They say the (19)_____ used to run (20)_____ east
to west
I'm fine
But I (21)_____ those voices at night
Sometimes...
The (22)_____ maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (23)_____ down
Its all in your mind
The star maker (24)_____ It ain't so bad
The dream maker's gonna (25)_____ you mad
The spaceman says (26)_____
(27)_____ down
It's all in your mind
It's all in my mind
It's all in my mind...

Fill in the gaps

Answer

1. strange
