

Thursday night, everything's fine

Fill in the gaps

Except you've got that look in your eye When I'm telling a story, and you find it boring You're thinking of something to say You'll go along (1)_____ it, then drop it And humiliate me in front of our friends Then I'll use that voice that you find annoying And say something like, "Yeah, intelligent input, darling. Why don't you just have another beer then?" Then you'll call me a bitch And everyone we're with will be embarrassed And I won't give a shit My fingertips are holding onto The cracks in our foundation And I know that I (2)____ _____ let go, but I can't And every time we fight I (3)_____ it's not right Every time (4)_____ you're upset and I smile I (5)_____ I should forget, but I can't You said I must eat so many lemons 'Cause I am so bitter I said, "I'd (6)___ _____ be with your friends, mate, 'Cause they are much fitter." Yes, it was childish And you got aggressive And I must admit that I was a bit scared But it gives me thrills to wind you up My fingertips are holding onto The cracks in our foundation

And I know that I should let go, but I can't And every time we fight I know it's not right Every time that you're upset and I smile I know I should forget, but I can't Your face is pastey 'Cause you've gone and got so wasted What a surprise Don't want to look at your face, 'cause it's making me sick You've gone and got sick on my trainers I only got these yesterday Oh my gosh, I cannot be bothered with this Well, I'll leave you there 'till the morning And I purposely won't turn the heating on And dear God, I (7)_____ I'm not stuck with this one My fingertips are holding onto The cracks in our foundation And I know that I should let go, but I can't And every time we fight I know it's not right Every time that you're upset and I smile I know I should forget, but I can't And every time we fight I know it's not right Every time that you're upset and I smile I know I should forget, but I can't And (8)_____ time we fight I know it's not right Every (9)_____ you're upset and I smile I know I should forget, but I can't
