

Fill in the gaps

Thursday night, everything's fine	And I know that I (14) let go, but I can't
Except you've got that (1) in your eye	And every (15) we fight I know it's not right
When I'm telling a story, and you (2) it boring	Every time (16) you're upset and I smile
You're thinking of something to say	I know I (17) forget, but I can't
You'll go along with it, then drop it	Your (18) is pastey
And humiliate me in front of our friends	'Cause you've gone and got so wasted
Then I'll use that voice that you find annoying	What a surprise
And say (3) like,	Don't (19) to look at your face, 'cause it's making
"Yeah, intelligent input, darling.	me sick
Why don't you just have (4) (5)	You've (20) and got sick on my trainers
then?"	I only got (21) yesterday
Then you'll call me a bitch	Oh my gosh, I cannot be bothered with this
And everyone we're with will be embarrassed	Well, I'll leave you there 'till the morning
And I won't give a shit	And I (22) won't turn the heating on
My fingertips are holding onto	And dear God, I hope I'm not stuck (23) this one
The cracks in our foundation	My fingertips are (24) onto
And I (6) that I should let go, but I can't	The cracks in our foundation
And every time we (7) I know it's not right	And I know that I should let go, but I can't
Every time (8) you're upset and I smile	And every time we fight I know it's not right
I know I should forget, but I can't	Every time (25) you're upset and I smile
You said I (9) eat so many lemons	I know I should forget, but I can't
'Cause I am so bitter	And every time we fight I know it's not right
I said, "I'd rather be (10) your friends, mate,	Every time (26) you're upset and I smile
'Cause (11) are much fitter."	I know I should forget, but I can't
Yes, it was childish	And every time we fight I know it's not right
And you got aggressive	Every time (27) you're (28) and
And I must admit that I was a bit scared	smile
But it (12) me thrills to wind you up	I know I (29) forget, but I can't
My fingertips are holding onto	
The (13) in our foundation
