All I Want For Christmas Is You by Mariah Carey

I don't want a lot for Christmas	I won't even (9) awake to
There's just one thing I need	Hear those magic reindeers click
I don't care about the presents	'Cause I just want you here tonight
Underneath the Christmas (1)	Holding on to me so tight
I just want you for my own	What more can I do
More than you could ever know	Baby all I want for Christmas is you
Make my wish come true	Ooh baby
All I want for Christmas is	All the lights are shining
You	So brightly everywhere
I don't want a lot for Christmas	And the sound of children's
There's just one thing I need	Laughter fills the air
I don't (2) about the presents	And everyone is singing
Underneath the Christmas tree	I hear those (10) bells ringing
I don't need to hang my (3)	Santa won't you bring me the one I really need
There (4) the fireplace	Won't you please bring my baby to me
Santa Claus won't make me (5)	Oh I don't want a lot for Christmas
With a toy on Christmas day	This is all I'm asking for
I (6) want you for my own	I just want to see my baby
More than you could ever know	Standing right outside my door
Make my wish come true	Oh I just want you for my own
All I (7) for Christmas is you	More than you could ever know
You (8)	Make my wish come true
I won't ask for much this Christmas	Baby all I want for Christmas is
I don't even wish for snow	You
I'm just gonna keep on waiting	All I want for Christmas is you baby
Underneath the mistletoe	
I won't make a list and send it
