

We (16)\_\_\_\_ save somebody's life

## Fill in the gaps

## How Come, How Long by Babyface & Stevie Wonder

There was a girl I (1) to know	How come, how long
She was (oh) so beautiful	It's not right, it's so wrong
But she's not here anymore	Do we let it just go on
She had a (2) degree	Turn our backs and (17) on
Smart as anyone could be	Wake up, for it's too late
Had so much to live for	Right now, we can't wait
But she fell in love	She won't (18) a second try
With the wrong kinda man	Open up (19) hearts
He abused her love and treated her so bad	As well as your eyes
There was not enough education in her world	I on (20) met that guy
That (3) save (4) of this	It's been a feeling deep inside
(5) girl	Something about him wasn't right
How come, how long	The way he (21) himself a mar
It's not right, it's so wrong	By beatin' his (22) with his hands
Do we let it just go on	(Oh) I (23) she'd seen the light
Turn our (6) and (7) on	How can (24) like that
Wake up, for it's too late	Call himself a man (He's not a man)
Right now, we can't wait	In reality he's far more less than that
She won't have a (8) try	And we (25) ignore
Open up your hearts	Whenever we see the signs
As well as (9) eyes	'Cause any kinda of abuse
She tried to give a cry for help	God knows it's a crime
She even blamed (10) on herself	How come, how long
But no one came to her aid	It's not right, it's so wrong
Nothing was (11) as far as we (12)	Do we let it (26) go on
tell	Turn our backs and carry on
That's what we'd like to tell our self	Wake up, for it's too late
But no, it wasn't (13) way	Right now, we can't wait
So she fell in love	She won't have a (27) try
With the wrong (14) man	Open up your hearts
And she paid with her life	As (28) as your eyes
For (15) that man	
So we cannot ignore	
We must look for the signs	
And maybe next time
