

Fill in the gaps

The Lady In Red by Chris De Burgh

Tve never seen you (1) so lovely	want to be there by your side	
As you did tonight	And when you (18) to me and smile	
I've (2) seen you shine so bright	You took my breath away	
I've never seen so many men ask you	I (19) never had (20) a feeling	
If you wanted to dance	Such a feeling of (21)	and
Looking for a (3) romance	(22) love	
Giving (4) the chance	As I do tonight	
I have never (5) that dress (6) wearing	Lady in red	
Or the (7) in your (8)	Is dancing (23) me	
that catch your eyes	(Cheek to cheek)	
I have been blind	There's nobody here	
Lady in red	Just you and me	
Is dancing (9) me	It's where I (24) be	
Cheek to cheek	I hardly know	
There's nobody here	This beauty by my side	
Just you and me	Never forget	
It's (10) I wanna be	The way you look tonight	
I hardly know	I will never forget	
This (11) by my side	The way you look tonight	
Never forget	Lady in red	
The way you look tonight	Lady in red	
l've (12) you look so gorgeous	Lady in red	
As you did tonight	My (25) in red	
I've never seen you (14) so bright	l (26) you	
You (15) amazing		
I've (16) so many people		

1. looking
