What are you waiting for, nobody's gonna show you how	Get stupia, get stupia, get stupia, don't stop it
Why (1) for someone else to do what you can do	(to the left, to the right, to the left, to the right)
right now	Get stupid, get stupid, get stupid, don't stop it
Got no boundaries and no limits	(to the left, to the right, to the left, to the right)
If there's excitement, put me in it	Get stupid, get stupid, get stupid, don't stop it
If it's against the law, arrest me	(to the left, left, right, right, left, left, right, right)
If you can handle it, undress me	Get stupid stupid stupid stupid stupid stupid
Don't stop me now, don't need to catch my breath	(left, left, right, right, left, right, right)
I can go on and on and on	Don't (4) me now, don't (5) to catch my
When the lights go down and there's no one left	breath
I can go on and on and on	I can go on and on and on

Those are the people that did not amount to much at all	No one's gonna (7) me now
Give me then bass line and I'll shake it	You're only here to win, get what they say?
Give me a record and I'll break it	You're only here to win, get what they do?
There's no beginning and no ending	They'd do it too if they were you
Give me a chance to go and I'll take it	You (8) it all before, (9) ain't nothing
Don't stop me now, don't need to catch my breath	new
I can go on and on and on	You're only here to win, get what they say?
When the lights go (2) and there's no one left	You're only here to win, get what they do?
I can go on and on and on	They'd do it too if (10) were you
