SUB inglés

Begging to hear your voice

Fill in the gaps

CanA't Have You by Jonas Brothers

You warned me that you were gonna leave (leave, leave)	Tell me you love me too
I never thought you would really go (go, go)	'Cause I'd rather (5) be alone
I was blind but baby now I see (see, see)	If I know that I can't have you
Broke your heart but now I know (now I, now I know)	So tell me what we're (6) for
That I was being (1) a fool (oooh)	Cause you know that truth means so (7) more
And I didn't deserve you (oooh)	Cause you would if you could, don't lie (don't lie)
l don't wanna fall asleep	Cause I give everything that I've got left
Cause I don't know if I'll get up	To (8) you I mean what I have said
And I don't wanna cause a scene	I know I was such a fool
But I'm dyin' without (2) love	But I can't live without you (without you)
Begging to hear your voice	I don't wanna fall asleep
Tell me you love me too	Don't know if I'll get up
'Cause I'd rather just be alone	Don't wanna cause a scene
If I know that I can't have you	But I'm dyin' without your love
Looking at the letter you that you left	Begging to hear your voice
[the letter that you left, will I ever get you back]	Tell me you love me too
Wondering if I'll ever get you back	'Cause I'd rather just be alone
[ooh aahp, ooh ahh, ooh aahp, ooh ahh]	If I know that I can't have you
Dreaming about when I'll see you next	Yeah!
[When will I see you next? Will I (3) get you back]	I don't wanna fall asleep (don't wanna fall asleep)
Knowing that I never will forget	Cause I don't know if I'll get up (who knows if I'll get up)
[I won't forget, I won't forget]	And I don't (9) cause a scene
That I was being such a (4) (oooh)	'Cause I'm dyin' without your love
Now I still don't deserve you (oooh)	Yeah!
I don't wanna fall asleep	Begging to hear your voice (let me hear your voice)
Cause I don't know if I'll get up	Tell me you love me too (tell me you love me too)
And I don't wanna cause a scene	'Cause I'd rather just be alone
'Cause I'm dyin' without your love	If I know that I can't have you
