SUB inglés

Begging to hear your voice

Fill in the gaps

CanA't Have You by Jonas Brothers

You warned me that you were gonna (1) (leave,	i eii me you love me too
leave)	'Cause I'd rather just be alone
I never thought you would really go (go, go)	If I know that I can't have you
I was blind but baby now I see (see, see)	So tell me what we're fighting for
Broke your heart but now I know (now I, now I know)	Cause you know that (6) (7) so
That I was being (2) a fool (oooh)	much more
And I didn't deserve you (oooh)	Cause you would if you could, don't lie (don't lie)
I don't wanna fall asleep	Cause I give everything that I've got left
Cause I don't know if I'll get up	To show you I mean what I have said
And I don't wanna cause a scene	I know I was such a fool
But I'm dyin' without your love	But I can't live (8) you (without you)
Begging to (3) your voice	I don't wanna fall asleep
Tell me you love me too	Don't know if I'll get up
'Cause I'd rather just be alone	Don't wanna cause a scene
If I know that I can't have you	But I'm dyin' without your love
Looking at the letter you that you left	Begging to hear your voice
[the letter that you left, will I ever get you back]	Tell me you love me too
Wondering if I'll ever get you back	'Cause I'd rather just be alone
[ooh aahp, ooh ahh, ooh aahp, ooh ahh]	If I (9) that I can't have you
Dreaming about when I'll see you next	Yeah!
[When will I see you next? Will I ever get you back]	I don't wanna fall asleep (don't wanna fall asleep)
Knowing that I never will forget	Cause I don't know if I'll get up (who knows if I'll get up)
[I won't forget, I won't forget]	And I don't wanna cause a scene
That I was being such a fool (oooh)	'Cause I'm dyin' without your love
Now I still don't deserve you (oooh)	Yeah!
I don't (4) fall asleep	Begging to (10) your voice (let me hear your voice)
Cause I don't know if I'll get up	Tell me you love me too (tell me you love me too)
And I don't wanna (5) a scene	'Cause I'd rather just be alone
'Cause I'm dyin' without your love	If I know that I can't have you
Yeah!
