

Fill in the gaps

What day is it?		I can't keep my eyes off of you		
And in (1) month?		There's something about you now		
This clock never seemed so alive		I can't quite figure out		
I can't keep up		Everything she does is beautiful		
And I can't back down		Everything she does is right		
I've been (2) so much time		Cause it's you and me		
Cause it's you and me		And all of the people with (7) to do		
And all of the (3)	with (4) to	Nothing to lose		
do		And it's you and me		
Nothing to lose		And all of the people		
And it's you and me		And I don't know why		
And all of the people		I can't keep my eyes off of you and me		
And I don't know why		And all of the people		
I can't keep my eyes off of you		With (8) to do		
One of the things that I want to say		Nothing to prove		
Just aren't (5)	out right	And it's you and me		
I'm (6)	on words	And all of the people		
You've got my head spinning		And I don't know why		
I don't know where to go from here		I can't keep my eyes off of you		
Cause it's you and me		What day is it?		
And all of the people with nothing to do		And in (9) month?		
Nothing to prove		This clock never seemed so alive		
And it's you and me				
And all of the people				
And I don't know why
