

## Fill in the gaps

What day is it?	I can't (16) my eyes off of you
And in what month?	There's something (17) you now
This clock (1) (2) so alive	I can't quite (18) out
I can't (3) up	Everything she does is beautiful
And I can't (4) down	Everything she does is right
I've (5) (6) so (7) time	Cause it's you and me
Cause it's you and me	And all of the (19) (20) nothing to
And all of the people with nothing to do	do
Nothing to lose	Nothing to lose
And it's you and me	And it's you and me
And all of the people	And all of the people
And I don't (8) why	And I don't (21) why
I can't (9) my eyes off of you	I can't keep my eyes off of you and me
One of the (10) that I want to say	And all of the people
Just aren't coming out right	With (22) to do
I'm tripping on words	Nothing to prove
You've got my (11) spinning	And it's you and me
I don't know (12) to go (13) here	And all of the people
Cause it's you and me	And I don't know why
And all of the people with (14) to do	I can't keep my eyes off of you
Nothing to prove	What day is it?
And it's you and me	And in what month?
And all of the people	This clock never seemed so alive
And I don't (15) why
