Do they still (3) there by the Cut	The nights of wonder
There was a ragged band (4) followed our	With friends surrounded
footsteps	The dawn mist growing
Running (5) time took our dreams away	The water flowing
Leaving the myriad small creatures	The endless river
Trying to tie us to the ground	Forever and ever
To a life consumed by slow decay	The (10) was greener
The grass was greener	The light was brighter
The light was brighter	The taste was sweeter
With (6) surrounded	The nights of wonder
The nights of wonder	With friends surrounded
Looking beyond the embers of bridges glowing behind us	The dawn mist growing
To a glimpse of how green it was on the (7) side	The water flowing
Steps taken forwards but sleepwalking back again	The endless river
Dragged by force of some inner tide	Forever and ever
At a higher altitude with (8) unfurled	
We reached the dizzy heights of that dreamed of world
