

So close you can almost taste it

Fill in the gaps

am (1)	_ can't (2)	my mind	Release (15) inhibitions		
'm undefined			Feel the rain on your skin		
'm just beginning			No one else can feel it for you		
The pen's in my hand			Only you can let it in		
Ending unplanned			No one else, no one else		
Staring at the blank page (3) you			Can speak the words on (16) lips		
Open up the dirty window			Drench yourself in words unspoken		
et the sun (4) the words that			Live your life with arms wide open		
You could not find			Today is where (17) book	begins	
Reaching for (5)	in the dis	stance	The rest is (18) unwritt	en	
So close you can (6)	taste it				
Release your inhibitions			Staring at the blank page (19) you		
Feel the (7) on your skin			Open up the dirty window		
No one else can (8)	one else can (8) it for you		Let the sun (20) the words that		
Only you can let it in			You could not find		
No one else, no one else			Reaching for something in the distance		
Can (9) the words on your lips			So close you can almost taste it		
Drench yourself in words unspoken			Release your inhibitions		
Live your life with arms (10) open			Feel the rain on your skin		
Today is where (11) book begins			No one else can feel it for you		
The rest is (12) unwritten			Only you can let it in		
Oh oh			No one else, no one else		
break tradition			Can speak the words on your lips		
Sometimes my tries			Drench (21) in words unspoken		
Are outside the lines			Live (22) life with arms (23) open		
We've been conditioned			Today is where (24) book begins		
To not make mistakes			The rest is still unwritten		
But I can't live that way			The rest is (25) unwritten		
Staring at the (13)	_ page before you				
Open up the dirty window			(The rest is still unwritten)		
Let the sun illuminate the words that					
You (14) not find	d				
Reaching for something in the	distance
