

Fill in the gaps

Don't cry victim to me	I'm (7) to overcome
Everything we are and (1) to be	Completely stunned and numb
Is buried and gone	Knock me down, (8) me to the floor
Now it's my (2) to speak	There's no pain, I can't feel no more
It's my turn	I'm entitled to overcome
To (3) and release what's been killing me	Overcome
I'll be dammed fighting you	(Overcome) You'll (9) know
It's impossible	What I was thinking before you (10) around
Impossible	Take a step, take a breath, put your (11) down
Say goodbye, with no sympathy	I (12) worry (13) of what
I'm entitled to overcome	you (14) of me
Completely stunned and numb	I may be (15) but I'm (16) in
Knock me down, (4) me to the floor	your memory
There's no pain, I can't feel no more	I'm entitled to overcome
I'm entitled to overcome	Completely (17) and numb
Overcome	Knock me down, (18) me to the floor
Finally see what's beneath	There's no pain, I can't feel no more
Everything I am and (5) to be	I'm entitled to overcome
Cannot be lost	Completely stunned and numb
I'll be (6) fighting you	I'm entitled to overcome
You're impossible	Completely stunned and numb
Impossible	I'm (19) to overcome
Say goodbye, with no sympathy	I may be (20) but I'm buried in your memory
