

Fill in the gaps

I don't know if I can yell any louder	r always say now r don't need you
How many times have I kicked you (1) here?	But it's (5) gonna come right back to this
Or said something insulting?	Please, don't leave me
I can be so mean when I wanna be	I forgot to say out (6) how beautiful you really are
I am capable of really anything	to me
I can cut you (2) pieces	I can't be without, you're my perfect little punching bag
When my heart is broken	And I need you, I'm sorry
Please don't leave me	(Da da da, da da)
Please don't leave me	Please, please don't leave me
I always say how I don't need you	Baby please don't leave me
But it's always gonna come right back to this	No, don't leave me
Please, don't leave me	Please don't leave me
How did I become so obnoxious?	I always say how I don't need you
What is it with you that makes me act like this?	But it's always gonna (7) right back to this
I've never been (3) nasty	Please don't leave me
Can't you tell that this is all just a contest?	Please don't leave me
The one that wins will be the one that hits the hardest	I always say how I don't need you
But baby I don't mean it	But it's always gonna come (8) back to this
I mean it, I promise	Please, please don't (9) me
Please don't leave me (oh)	Baby, please, please don't leave me
Please don't (4) me (don't leave me)
