

Fill in the gaps

I don't know if I can yell any louder		I always say how I don't need you
How (1) times	have I kicked you outta here?	But it's always gonna come (7) back to this
Or said (2)	insulting?	Please, don't leave me
I can be so mean when I wanna be		I forgot to say out loud how beautiful you really are to me
I am (3)	of really anything	I can't be without, you're my perfect little punching bag
I can cut you into pieces		And I need you, I'm sorry
When my heart is broken		(Da da da, da da)
Please don't leave me		Please, please don't leave me
Please don't leave me		Baby please don't leave me
I always say how I don't need you		No, don't leave me
But it's always gonna come right back to this		Please don't leave me
Please, don't (4)	me	I always say how I don't need you
How did I become so obnoxious?		But it's always gonna come (8) back to this
What is it with you that makes me act like this?		Please don't leave me
I've (5) bee	n this nasty	Please don't leave me
Can't you tell that this is all just a contest?		I always say how I don't need you
The one that wins will be the one that hits the hardest		But it's (9) gonna come right (10)
But baby I don't mean it		to this
I mean it, I promise		Please, please don't leave me
Please don't leave me (oh)		Baby, please, please don't leave me
Please don't (6)	me (don't leave me)
