

I just want you close
Where you can (1) forever
You can be sure
That it will only get better
You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright
People keep talking
They can say what they like
But all I (2) is
Everything's gonna be alright
No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I (3) for you
You you
Can get in the way of what I feel for you
When the rain is (4) down
And my heart is hurting
You will (5) be around
This, I know, for certain
You and me together
Through the days and nights
I don't worry 'cause

Fill in the gaps

Everything's (6) be alright
People keep talking
They can say what they like
But all I know is
Everything's (7) be alright
No one, no one
Can get in the way of what I'm feeling
No one, no one
Can get in the way of what I feel for you
You you
Can get in the way of (8) I feel
I know, some people search the world
To find something like what we have
I know, people will try
Try to divide something so real
So 'till the end of time
I'm telling you that no one
No one, no one
Can get in the way of what I'm feeling
No one, no one
Can get in the way of what I (9) for you
(Oh oh oh oh oh)
