Let me hold you

Oh... it tears me up

Fill in the gaps

I try to hold on but it hurts too much

Broken Strings by James Morrison & Nelly Furtado

For the last time		I try to forgive but it's not enough		
t's the last chance to feel again		To make it all okay		
But you broke me		You can't play on broken strings		
Now I can't feel anything		You can't feel anything		
When I (1) you and so untrue		That (5) (6)	don't want to feel	
can't even convince myself		I can't tell you (7)	that ain't real	
When I'm speaking		Oh, the truth hurts		
t's the voice of someone else		And lies worse		
Oh it tears me up		How can I give anymore		
try to hold on but it hurts too much		When I love you a little less than before?		
try to forgive but it's not enough		But we're running through the fire		
To make it all okay		When there's nothing left to save		
You can't play on broken strings		It's like (8) the very last train		
You can't feel anything		When we both know it's too late (too late)		
That your heart don't want to feel		You can't play on broken strings		
can't tell you something that ain't real		You can't feel anything		
Oh the truth hurts		That your heart don't want to feel		
And lies worse		I can't tell you something that ain't real		
How can I give anymore		Oh, the truth hurts		
When I love you a (2)	less than before?	And lies worse	And lies worse	
Oh, what are we doing?		So how can I give anymore		
We are turning into dust		When I love you a little less than before?		
Playing house in the (3)	of us	Oh, you know that I love you a	little less (9) befor
