

Fill in the gaps

Broken Strings by James Morrison & Nelly Furtado

Let me hold you	I try to hold on but it hurts too much
For the last time	I try to forgive but it's not enough
It's the last chance to feel again	To (11) it all okay
But you (1) me	You can't play on broken strings
Now I can't feel anything	You can't feel anything
When I love you and so untrue	That (12) (13) don't (14)
I can't even convince myself	to feel
When I'm speaking	I can't tell you (15) that ain't real
It's the (2) of someone else	Oh, the truth hurts
Oh it tears me up	And lies worse
I try to hold on but it hurts too much	How can I give anymore
I try to forgive but it's not enough	When I love you a little less than before?
To (3) it all okay	But we're (16) (17) the
You can't play on broken strings	fire
You can't feel anything	When there's nothing left to save
That your heart don't want to feel	It's like chasing the (18) (19) train
I can't tell you something that ain't real	When we both know it's too late (too late)
Oh the truth hurts	You can't play on broken strings
And lies worse	You can't feel anything
How can I (4) anymore	That (20) heart don't (21) to feel
When I (5) you a (6) less	I can't tell you (22) that ain't real
(7) before?	Oh, the (23) hurts
Oh, what are we doing?	And lies worse
We are turning into dust	So how can I give anymore
Playing house in the (8) of us	When I (24) you a little less (25)
Running back through the fire	before?
When there's nothing left to save	Oh, you know (26) I love you a little less than
It's like chasing the very (9) train	before
When it's too late (too late)	Let me hold you for the (27) time
Oh it (10) me up	It's the (28) chance to feel again
