I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had nothing to say	What I (5) was never real
And I'd get lost in the nothingness inside of me	I (6) let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	I wanna heal
That I'm not the only person with these things in mind	I wanna feel
(Inside of me)	Like I'm close to something real
But all that (1) can see the words revealed	I wanna find something I've wanted all along
Is the only real thing that I've got left to feel	Somewhere I belong
(Nothing to lose)	I will never know
Just stuck, (2) and alone	Myself until I do (7) on my own
And the fault is my own	And I will never feel
And the fault is my own	Anything (8) until my wounds are healed
I (3) heal	I will never be
I wanna feel	Anything (9) I break away from me
What I thought was never real	l will (10) away
I wanna let go of the pain I've felt so long	I'll find myself today
(Erase all the (4) till it's gone)	I wanna heal
I wanna to heal	I wanna feel
I wanna to feel	What I thought was never real
Like I'm close to something real	I wanna let go of the pain I've felt so long
I wanna find something I've wanted all along	(Erase all the pain till it's gone)
Somewhere I belong	I wanna heal
And I've got nothing to say	I wanna feel
I can't believe I didn't fall right down on my face	Like I'm close to something real
(I was confused)	I wanna find something I've wanted all along
Looking everywhere only to find	Somewhere I belong
That it's not the way I had imagined it all in my mind	I wanna heal
(So what am I)	I wanna feel like I am
What do I have but negativity	Somewhere I belong
'Cause I can't justify way everyone is looking at me	I wanna heal
(Nothing to lose)	I wanna feel like I am
Nothing to gain, hollow and alone	Somewhere I belong
And the fault is my own	Somewhere I belong
And the fault is my own
